All Artwork must meet the following Guidelines:

- Entries must be mounted.
- Entries must be labeled on the front of the art (using the label provided)
- Adhesive will be added to the back of entries for mounting.
- Entries must be no larger than 16" X 24"
- Entries may be drawings, digital, paintings, etchings and/or mixed media
- Teachers are responsible for ensuring only original images are included

Attendance Requirement:

To enhance the experience for our students and recognize their achievements, a **teacher or administrative staff member from each participating school or group is required to attend the reception.** Students are excited to share their work and see familiar faces supporting them and it is always disappointing when no one from their school is present. Your attendance ensures that these young artists feel celebrated and supported.
